

Eye was thinking the other day as eye waited for God to do some things in my life. How when eye was struggling with addiction eye was waiting, waiting ain't nothing but something to do. But to God eye was just as good as free. It hadn't caught up with me and manifested yet. But in heaven eye was free. This is amazing to me because as eye look back and trace my steps eye can see that from the beginning eye was free from addiction. Just waiting for it to manifest. My faith told me it was real, or unless eye would have taken other measures. With my sisters telling me "just go to the hospital Tink, call this treatment center, call that one." eye guess it looked like to them eye was just sitting back and letting this thing happen to me. My faith told me it was real. "Now faith is the substance of things hoped for, the evidence of things not seen." (Hebrews 11:1 KJV) Anticipation, expectation, hope. The fact that eye believed it told me it was available for me. Eye was once addicted. So what did eye do to become free from this terrible madness? Before eye had picked up the first drug eye was already made free. It's just that sometimes in life we make some wrong turns in life and we are blessed if we make it back and recover from the wrong turns we make. So what did eye do to make it back? Nothing the only thing eye can think of, eye believed in Jesus. So in essence eye was delivered before eye was bound. eye was free before eye was addicted. It was first done in heaven then it was done on earth. So eye do believe that as He is in heaven so am eye on earth. As eye seek ye first the Kingdom of God and His righteousness. All of these things will be added unto me. Him opening the windows of Heaven pouring out upon me a blessing that eye will not have room to receive. My gifts making room for me. Taking me before great men. My light shining in obscurity, my night becoming like the noon day. Because today my mindset is God is good. He means me well. And eye know I haven't been just imagining things eye know I have been hearing from God Almighty. Eye know eye am not crazy. Eye have a promise from God that eye am accepted just as eye am. The gifts eye have are the gifts He needed me to have to do what He needs for me to do. Eye manned my post. So eye guess my thing today is my current state or financial insecurities. Which according to heaven are no financial insecurities. Because

remember as eye struggled with addiction eye was already free. Eye believed it was His will to free me. And why? So that eye could get busy doing His will. Doing my job! And so now that that has come to pass. Eye guess the real question goes back to the first question. He asked me “ why can’t eye believe Him to prosper me, “ that they came from the same places? Today eye believe Him to prosper me. He has made it clear that eye am His, and that He is good.

:Sometimes we cannot prosper because of a generational curse that has run through our families. You may say not so. Just because you say not so does not keep the curse from being so. Listen, it is what it is, if your story speaks of lack and mediocrity. There has to be a reason behind it. When it is clear He came that we may have life and have it more abundantly. When it is the father’s pleasure to give to the children of the Kingdom the things of the kingdom. So it is never God where the problem lies. When believing for a harvest, believe for a harvest of fruitfulness above money. Don’t lead with the desire for money. Be cool, calm, and collected. Eye say lead with a desire for a harvest of fruitfulness for the kingdom, because this is what it looks like to seek ye first the kingdom of God and all of his righteousness, and all these monetary things will be added unto you. In whatever sphere you are in, believe Him to take you to the next level. This is what pleases God, putting the desire for the fruitfulness of the Kingdom above yours and mine's desire for money. As a royal priesthood, eye have access to all of the resources of the kingdom of God as a king's Kid. eye don't have too much knowledge about Royalty, other than The King of a Kingdom is sitting with all of the wealth of the kingdom and us His children. He withholds nothing from us, as long as we are in faith for it. Where this can get tricky and the enemy can slip in with hope deferred, because of low self-esteem and insecurity. Believing eye am unworthy would be something that can affect our faith if we don't believe in ourselves subconsciously, which could have come down from our parents and them having bouts with slavery and bigotry. Our parents were licked by the enemy (some of them were.) and if they never finally stood up and took their rightful place as Kings and Priests unto the Lord in the earth. The burden would be on us to address these things that manifest in different forms

than how they rode our parents. Nevertheless, when we can discern defeat in our lives and being licked by the enemy, it didn't just happen with us, and if we can look back and see our parents were defeated in a lot of areas. It is then left up to us in our generation to let it continue, or stop them in their tracks. If there is a generational curse God would be aware of us not being able to exceed a certain boundary or limit. Not just God but the enemy as well. If we have been on the low not really believing we are worthy of our newfound inheritance because of the things attached to us keeping us from fully embracing and receiving the full Merritt gift of God. which does include having access to God for money. It's like the spirit is trying to convince us this is too our's, while the generational curse has been there the longest. It can become a stronghold. It's like being heirs to the King who is our father kind of situation. We would probably have to go back to the foundation and start over to weed out anything resembling a curse. Things like low self-esteem and insecurity. God believes you are worthy of it for sure. When we can remind God of His word is when we are putting Him first. It will of a certain be added because it will be needed to birth and carry out the harvest of fruitfulness in the kingdom. You see the Pastor does not know your pedigree or your family lineage, he does not know what you are connected to when preaching the message of prosperity to you. Because there is an anointing on him to preach prosperity he preaches his message you receive it by faith. But something happens in between receiving the message and the manifestation of the blessing. It is the parable of sowing and reaping "The same day went Jesus out of the house, and sat by the sea side. And great multitudes were gathered together unto him, so that he went into a ship, and sat; and the whole multitude stood on the shore. And he spake many things unto them in parables, saying, Behold, a sower went forth to sow; And when he sowed, some seeds fell by the wayside, and the fowls came and devoured them up: Some fell upon stony places, where they had not much earth: and forthwith they sprung up, because they had no deepness of earth: And when the sun was up, they were scorched; and because they had no root, they withered away. And some fell among thorns; and the thorns sprung up, and choked them: But other fell into good ground, and brought

forth fruit, some an hundredfold, some sixtyfold, some thirtyfold. Who hath ears to hear, let him hear.” Jump down to verse 18 “ Hear ye therefore the parable of the sower. When any one heareth the word of the kingdom, and understandeth it not, then cometh the wicked one, and catcheth away that which was sown in his heart. This is he which received seed by the wayside. But he that received the seed into stony places, the same is he that heareth the word, and anon with joy receiveth it; Yet hath he not root in himself, but dureth for a while: for when tribulation or persecution ariseth because of the word, by and by he is offended. He also that received seed among the thorns is he that heareth the word; and the care of this world, and the deceitfulness of riches, choke the word, and he becometh unfruitful. But he that received seed into the good ground is he that heareth the word, and understandeth it; which also beareth fruit, and bringeth forth, some an hundredfold, some sixty, some thirty.” The parable of the thorns would be the one eye have been in danger of in my past. When our desires for things cloud our judgment we become discouraged and begin to lose our zeal and our passion for the things of God if we are not careful and intentional about what we believe we have been called to do and to be. And when you have been left in that situation with no one knowing because you were banking on that thing happening and when it didn’t happen you felt defeated. This could be a time when the scripture says there would come a time when we would have to encourage ourselves in the Lord. However oftentimes the enemy pounces on you with the spirit of depression at this time. However, be not afraid, God has figured this temporary setback into the scheme of his will for your life. At the end of the day hope in God. believe in Jesus in the face of depression and you will be saved from depression. What this leads to is the passage of scripture in James. “ What causes fights and quarrels among you? Don’t they come from your desires that battle within you? You desire but do not have, so you kill. You covet but you cannot get what you want, so you quarrel and fight. You do not have because you do not ask God. When you ask, you do not receive, because you ask with wrong motives, that you may spend what you get on your pleasures. (James 4:1-3 NIV) Okay because let's say, what if God does not do it for you, will

you be like the four Hebrew boys? Will you be like Daniel? What is riding on you obtaining and possessing this thing you are waiting before God for? We have gotten things mixed up. It is about us offering up offerings to Him, as a Kingdom of priests and kings who are dead to the desires of this world. The lust of the flesh, the desire for other things, a mature saint would not even be phased when the enemy approaches you about the faithfulness of God. you shouldn't be discouraged but rather laugh in his face. Let him know you ain't in it for the money. Let the enemy know you have already received your inheritance from God. It is a guarantee you will harvest. Whatever the hold-up is, eye now God has been too faithful to me for me to question His faithfulness! Type of attitude. The problem never lies with God. Wow eye haven't even considered how long ago that was and it still comes down to that question. However God is not asking me that question today eye was just reminded of that question. " why can't eye believe Him to prosper me?" Because today eye know He has told the truth about everything else why would He lie now. And that was the original question. "Why couldn't eye believe Him to prosper me? That they came from the same places" and it is because today eye know eye am worthy of it. Eye deserve it. Eye am His and it is the fathers good pleasure to bless the children of the Kingdom with the things of the Kingdom. Today eye am being rewarded because of His gifts that are in me. Because of His spirit that is in me. So it is the best stuff on the market that eye am Using to bless others with. Eye am being a blessing to others on behalf of Him. eye live a life of giving. Eye have withheld nothing from Him of myself. Eye give it all to His people on His behalf. Eye can only assume He set me up for a great harvest by allowing me to come this way. I'm talking about a blow my mind harvest, opening up the floodgates of Heaven Harvest. These are the signs and wonders that follow those who believe in Jesus. To show others all eye have learned of Him to show others it is possible to prosper without any type of secular education just by faith in Jesus. For those who are believers, our faith in Christ would eventually come to mean more to us than anything else. He said He chose us, we did not choose Him. so that is the first step in identity. If you are a Christian and are on some type of voyage to discover your identity

and have invested in these seminars that are “intended” to get you to your purpose, if you have bypassed Christ. You are just going in circles. He is sovereign and He is serious for those who have given their lives to Christ, and have received Him into their lives. You will keep going around in circles until you discover hey wait a minute eye have been here before eye haven’t made any progress. I’m just going in circles. That is God allowing you to go in circles with the expectation of you discovering what is missing from this picture is Him in the middle of your life. As for me eye am glad eye finally figured out why eye was so unhappy in my life was because eye was trying to live it without Him being in the middle. He loved me enough to allow me to be miserable, depressed and sad without Him. Then when eye finally got Him in the middle the sadness, depression and misery disappeared. Everything eye was looking for eye have found in Him. and although eye took the long route to get to Him He is so good and merciful He still accepted me. eye was always on edge, it was like eye was living in the “fast lane.” because eye knew in my heart of hearts nothing was going to go right for me until eye became balanced. “For where your treasure is, there your heart will be also.” (Mathew 6:21 NIV) Normally in the “real world” a treasure is usually a pot of gold or something like that. In other words your bank account or wherever your money is. Eye follow the steps father Abraham has taken for my prosperity. Eye don’t work for money, eye come from money. Eye come from the loins of Abraham. Eye am already made rich. It is a mentality you have to have to be prosperous. When eye work eye am not doing it to gain wealth eye am doing it to glorify God. eye have already received my inheritance. The promise. What eye have discovered is more than the gift of tongues, it is even more than being filled with the spirit. It is God saying yes. Yes to whatever prayer you have to be made great. To be something that you know you could not have accomplished on your own and by yourself. The devil wants us slaving to make them couple of dollars busting your behind to get all of the over time you can get. Making you think you gotta do it for security, remembering the days of old growing up trying to be as far away as you can possibly be from the curse of poverty. This is what it looks like to be driven by the love of money.

Eye return to God the place in my heart that the enemy slithered his way into in the beginning of time. Father Abraham took some steps that seemed to please God. it wasn't under the law or anything like that, it was an act of faith. When he gave Melchizedek the tenth of all of the spoils that he obtained when coming back over the battle over his nephew Lot. He gave it to him as unto the Lord. right before He received the communion elements. Abraham was the father of faith but he did have to go through a vigorous transformation entering into covenant with God. which included having his name changed, being circumcised, supping at the communion element table and giving the tenth. Well, eye don't think that is too bad. Especially considering what he was getting. But what these acts did in my opinion was remove from father Abraham's heart the lust of the flesh, the pride of life, the deceitfulness of riches and the cares for other things. And eye can say this because that is what it has done in my life. By doing exactly what he did. Eye do it because eye am of the loins of Father Abraham. This is how eye discover my identity. And now what is important to God is important to me. Eye love what He loves and hate what He hates. We discovered in the new covenant that the love of money is the god of this world. In the old testament Jeremiah says the heart is deceitfully wicked who could know it? And again our heart is where our treasure is now eye understand why Father Abraham had to go through all he went through in relating to the things that reflect the heart. But in Ezekiel it says eye will give you a new heart and a new spirit giving us hope for those of us who have discovered what the enemy was trying to do with our hearts and money. We work to glorify God with the spiritual gifts He has given us. To be fruitful. Our aim should be to bear fruit when we go to our jobs. But because a lot of us have been duped out of our inheritance and spiritual gifts the enemy has you out there hustling for something you should be asking God for and receiving. There should be a flow to it, it shouldn't be laboursome. Because his word says herein is the father glorified that you go forth and bear much fruit showing yourself to be His disciple. Our jobs should be an expression to God, a thank you for this glorious gift you have given me. And because for whatever reason you feel like you cannot trust God to make known unto you what

your spiritual gifts are. You Settle for a job just for the money instead of believing God to show you where you belong, it should be a praise unto Him, it is your offering unto the Lord for the gifts He has given you, and when you get paid it should be looked at as a reward given to you by God. As you give God the gift you are using to do your job with. He gives you a reward for the job or offering you have given Him. This is why a lot of us or being cheated and overworked is because God wants to be the one who gives you all things but when you go to work for money instead of going to glorify God it can look like to the naked eye the love of mammon on your heart and not the Love of God. Listen, everything you do should revolve around Jesus. This is not extreme; it is dwelling in the house of the Lord forever. It is what it looks like to be saved. To God be the glory by Tyler Mitchell.
